

The logo for QOM CO features the letters 'QOM' in a large, bold, dark blue sans-serif font. To the right of 'QOM' is a square box with a thin dark blue border, containing the letters 'CO' in a smaller, dark blue sans-serif font. The background of the entire image is a vibrant blue with a dense field of small, out-of-focus water droplets and bubbles, creating a textured, aquatic effect.

QOM **CO**

Qatar Overseas Management w.LL

Water Management Division

Introduction

Building on our successful journey in providing water treatment solutions, the Water Management Division of Qatar Overseas Management (QOM),

relies on its know-how, to serve as a safe bridge between the source company and our clientele, relieving the stress that comes with the potential inexperienced installation, operation, and maintenance of any product, that could result in hefty losses for all parties and a scattered responsibility.

Synergy

The Water Management Division is yet another piece of a bigger extensive puzzle. Adding operations and maintenance to QOM's comprehensive services, to unify responsibilities, towards the benefit of our clients' interests.

Our Services

Recreational Water Features

A complete service covering water analysis, water balance, chemical adjustments, professional cleaning, overall renovation, equipment preventive and corrective maintenance based on repairing your existing assets rather than replacing them, to ensure your facilities last a lifetime.

Recreational Water Features

We Are All About

■ Sparkling service, with your family's safety at heart

Keeping your pool and facilities clean, bacteria free, as per the highest standards of safety measures.

■ Customized service contracts

Customized service contracts
Customized contract including free repairs when necessary, going beyond just cleaning.

■ Quick Response:

We are a phone call away, 7 days a week.

■ Reliable services at the best rates:

Focusing primarily on repairing damaged equipment rather than replacing them, saving you unnecessary charges.

■ Scheduled maintenance agreements suiting your needs

Scheduling specialized preventive and corrective maintenance as per your site's or facilities' unique requirements.

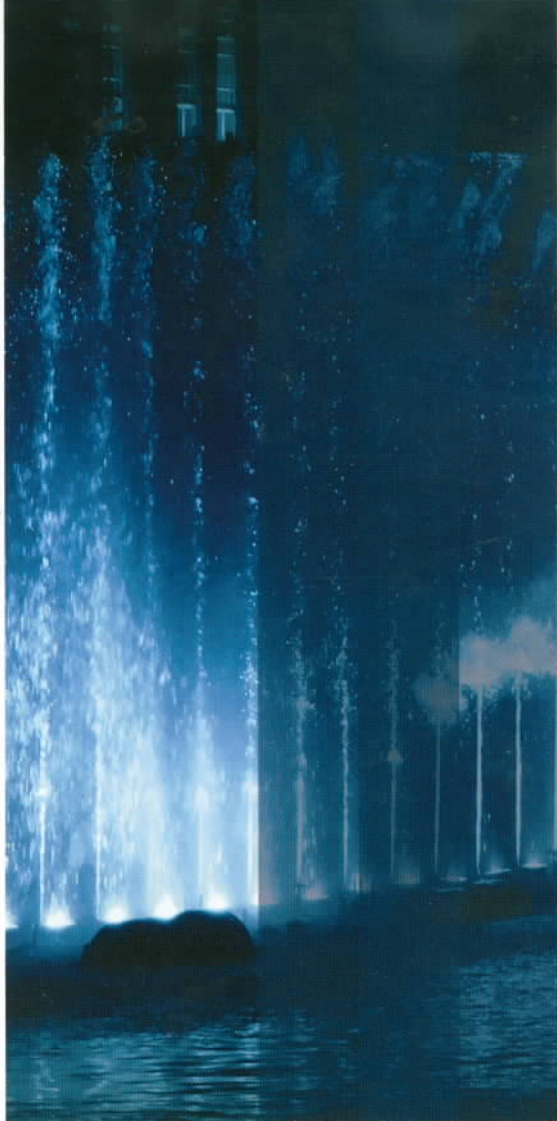

■ An experience worthy of your trust:

Placing our 15-year experience in the Qatari market at your service.

Experience

This new venture gathers more than 15 years of experience and presence in the Qatari market under the management of highly - qualified engineers and technicians, providing maintenance and after sales for the products that QOM represents, supplies and applies in Qatar, with the advantage of a vast acquired knowledge to solve troubleshooting issues.

We adopt a preventive maintenance method that lowers the risk of damage. That said, our teams are ready to ultimately intervene at the right moment in the event of a breach.
